

A AIRUSH FUSION

Type of board: Mutant/directional
Length: 142, 150, 158, 168 cm
Width: 36.2, 38.2, 41, 43 cm
Fins: 6
Rider level: Intermediate-Advanced
MSRP: \$777

The Fusion is the closest thing to a pure directional board in Airush's range. The board's directional bias is designed to offer increased lateral stability that they claim enhances the ability to nail carving moves. All Fusions have fins in the nose and can be ridden backward if needed.

B BEST THE BEST BOARD

Type of board: Twin-tip
Length: 118,124,130,138,144 cm
Width: Varies
Fins: 4
Rider level: Beginner-Intermediate
MSRP: \$399 with fins

The Best Board is shaped to provide a smooth, fast, responsive ride for the average kiteboarder. All boards are production quality with a P-Tex bottom and glossy top. Shannon designed these boards to be durable and to perform like a custom design.

B BEST THE BEST BOARD PRO

Type of board: Twin-tip
Length: 118,124,130,138,144 cm
Width: Varies
Fins: 4
Rider level: Beginner-Intermediate
MSRP: \$449 with fins

The Best Board Pro is the same design as the Best Board with a balsa core, making it lighter, stronger and faster. It retains same fast, responsive ride in flat water, waves or wind chop. The board has more loading capability and pop from the higher flex characteristics of the balsa core.

C CABRINHA VARI PRO

Type of board: Twin-tip
Length: 138,148,158 cm
Width: 38, 39, 40 cm
Fins: 6
Rider level: Intermediate-Advanced
MSRP: \$729

Martin Vari's signature board speaks for itself. The combination of the Step Tip and Tail and the wide outline make for an easy ride. The Vari design is proven in the waves and on the flats and the wider outline will benefit any larger rider.

C CABRINHA ICON

Type of board: Twin-tip
Length: 130,140,150 cm
Width: 35, 35.5, 36 cm
Fins: 4
Rider level: Beginner-Advanced
MSRP: \$599

A no-step twin-tip design for freestyle and wave riding. The no-step tip and tail are shaped for a clean release and a lower rocker line. The Icon comes complete with grab rail contours and is good for the all-around rider.
